Dear Mr. Barnes:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order ("Order"), Docket No. SDWA-08-2005-0049, issued to Boy Scouts of America, Trapper Trails Council ("Camp Loll") on August 24, 2005. The EPA has determined that Camp Loll complied with the requirements of the Administrative Order; therefore we will close the Order at this time.

Please be aware that Camp Loll is still required to comply with the National Primary Drinking Water Regulations ("NPDWRs"), 40 C.F.R. part 141. Violation of the NPDWRs or an administrative order may result in a court-imposed injunction and / or penalties of up to \$32,500 per day of violation.

If you have any questions about this matter, please call Kimberly Pardue Welch at 303-312-6983.

Sincerely,

Lisa Kahn, Team Leader
